Introduction

Urlabari Multiple Campus (UMC) was formally established in 2043 BS as a fully community based campus to provide qualitative higher education. There is no exaggeration in asserting that this college is an invaluable gem of education in this region. The expedition of the campus was started from the Proficiency Certificate Level and now it has upgraded upto Master Level. In the course of its journey, the campus has been able to remain in the hearts of myriads of students, guardians and stakeholders and this is more than the evidence of its success. Since education is an ever growing process, an institution must accept the opportunities of being updated and so does UMC. Along with the extension of the faculties and subjects, the foundation has been devoted for the quality education. UMC has been in the verge of achieving QAA.

Vision, Mission, Goals & Objectives:

Vision:

Academic excellence for civilized, advanced and equitable society is the vision of UMC.

Mission:

By developing infrastructure through a well management of manpower and resource on the basis of public participation to impart qualitative, technical and practical education upto research level and to prepare efficient and skillful graduates is the main mission of UMC.

Goal:

By imparting practical and quality education through public participation to prepare efficient and excellent manpower is the goal of UMC.

Administrative Block

Objectives:

The main objectives of UMC are to:

- Contribute the society through quality education.
- Develop skillful and qualified manpower.
- Create favorite educational environment.
- Increase quality, practical & technical education.
- Give maximum emphasis on utilization of the resources available in campus.
- Acquire academic & professional competencies.
- Develop creative thinking and innovative participation.
- Create awareness and encourage towards active participation in the teaching learning process.
- Conduct Seminars, Workshops & Researches.
- Sensitize the students towards social issues.
- Develop effective communication skills and leadership qualities.
- Help the students to get job opportunities.

I have been associated with this campus for about eight years before as a member and currently as the Chairperson of the Campus Management Committee. On my personal as well as on behalf of the chair, I assure that the students, who become part of this campus, will achieve their educational goals. We have been profoundly concerned with all efforts to accumulate all modern facilities in UMC.

Mr. Puspalal Dhakal
Chairperson of UMC

The process of acquiring higher education is getting multifaceted, versatile and multi-dimensional due to the expansion of science and technology. In the recent years, the educational institutions have both challenges and opportunities of producing globally acceptable and multi talented students since the vast world is gradually transforming into a global village. In this regard, we have a strong commitment and genuine devotion to affordable and quality education in Urlabari Multiple Campus.

Mr. Khem Raj Karki
Campus Chief

The basic infrastructures for quality education adorn Urlabari Multiple Campus. As my part and also on behalf of the campus administration, it can be asserted that UMC is a perfect choice for the higher and quality education in affordable fee rates. The Aim of the Campus for the individual student, is to eliminate the need in his life for the campus; the task is to help him become a educating men.

Mr. Himmat Khadka
Co-ordinator (+2)
